

# 4Life Transfer Factor® Kids

## Daily Wellness Support for Kids

- Supports a healthy immune system with Transfer Factor E-XF™
- Provides 22 essential vitamins and minerals
- Comes in fun, animal-shaped chewable tablets
- Tastes great

### What is 4Life Transfer Factor Kids?

4Life Transfer Factor® Kids is a formula created especially for kids. It combines the scientifically advanced immune system benefits of Transfer Factor E-XF with 22 essential vitamins and minerals needed for proper growth and good health. Fun animal shapes and its great-tasting grape flavor make this a chewable tablet that your kids will love to take every day.

### Did You Know?

4Life Transfer Factor Kids come in the fun animal shapes of lions, hippos, tigers, and elephants.

### PRIMARY SUPPORT:

Immune  
Multivitamin & Mineral

### SECONDARY SUPPORT:

Wellness

### Key features

- Boosts Natural Killer (NK) immune cell function with Transfer Factor E-XF (a concentrated blend of transfer factor molecules from cow colostrum and chicken egg yolks).
- Provides education that supports the immune system's ability to recognize, respond to, and remember potential health threats.
- Supplies the health support of 22 essential vitamins and minerals, formulated for a child's growing body.
- Ensures exclusivity with protective United States patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolks).

**DIRECTIONS:** Take one (1) or two (2) tablets daily, depending on child's age. For best results, take 4Life Transfer Factor Kids with a meal.
